Take a walk down memory lane!
You'll be glad you did!

- ◇ An ignorant person is one who doesn't know what you have just found out.
- ◇ Ancient Rome declined because it had a Senate; now what's going to happen to us with both a Senate and a House?
- ◇ Diplomacy is the art of saying 'Nice doggie' until you can find a rock.
- ◇ Don't gamble; take all your savings and buy some good stock and hold it till it goes up, then sell it. If it don't go up, don't buy it.
- ◇ Even if you're on the right track, you'll get run over if you just sit there.
- ◇ I belong to no organized party. I am a Democrat.
- ◇ I was not a child prodigy, because a child prodigy is a child who knows as much when it is a child as it does when it grows up.
- ◇ I'm not a real movie star. I've still got the same wife I started out with twenty-eight years ago.
- ◇ Live in such a way that you would not be ashamed to sell your parrot to the town gossip.
- ◇ Nothing you can't spell will ever work.
- ◇ On account of being a democracy and run by the people, we are the only nation in the world that has to keep a government four years, no matter what it does.
- ◇ The best doctor in the world is the veterinarian. He can't ask his patients what is the matter—he's got to just know.
- ◇ The movies are the only business where you can go out front and applaud yourself.
- ◇ The only time people dislike gossip is when you gossip about them.
- ◇ There's no trick to being a humorist when you have the whole government working for you.
- ◇ This country has come to feel the same when Congress is in session as when the baby gets hold of a hammer.
- ◇ We are all here for a spell; get all the good laughs you can.
- ◇ We can't all be heroes because somebody has to sit on the curb and clap as they go by.
